**New Advance GL251T Trailer Tire!**

We are pleased to announce orders are now being accepted for our new Advance 445/50R22.5 GL251T Radial Truck Tire.

Features include:

- Advanced tread compounds offer fuel efficiency balanced with wet traction and long even wear.
- Engineered to replace duals on highway and regional trailer axle fitments.
- 16/32" tread depth
- The new generation wide base tire for trailer axles that deliver exceptional weight savings and fuel efficiency in regional and long haul applications.
